### Applicant's Informed Consent to Drug and Alcohol Testing

The Company is committed to providing a safe and healthy environment for all employees, customers and the public. It is also committed to eliminating the hazards in the workplace created by drug abuse and has adopted a drug-free workplace policy. Accordingly, all job offers will be contingent upon a new hire passing a drug and alcohol test prior to employment. The Company will not hire anyone who fails this test.

1. I, \_\_\_\_\_, understand that if I receive a conditional offer of employment, I will be required to do a drug and alcohol test, and must report to the designated collection site within six (6) hours of the offer. Because of administrative complexities, however, international hires may be given additional time to complete the testing.
2. I understand that this policy provides for drug and alcohol testing. Unless I am advised otherwise in advance and in writing by the Company, substance abuse testing at the Company will test for the following substances: marijuana, cocaine, opiates, amphetamines (including crystal methamphetamine), phencyclidine (PCP) and alcohol.
3. By this acknowledgment, I am advised that over-the-counter medications or prescribed drugs may result in a positive test result for drug testing. I understand that it is my responsibility to notify the Medical Review Officer if I have taken any over-the-counter medication or prescribed drugs within the past thirty (30) days.
4. I understand that if I refuse to be tested, fail to report within the required time, leave the designated collection site without providing a urine specimen, refuse to sign a release and authorization to submit to any drug screen test, refuse to sign the consent form to permit the Medical Review Officer to provide the results to the Company, and/or fail the test, I will not be eligible for hire at the Company.
5. I freely and voluntarily consent to submit to alcohol and drug testing as requested by the Company. I understand that the test results will be reported to the Company's Designated Employer Representative by the Medical Review Officer, including the identification of the controlled substance(s) for positive results.
6. I understand and agree to the release of the pre-employment test results of any substance abuse test administered by the medical testing laboratory to the Medical Review Officer and the Company's Designated Employer Representative. I understand the purpose of the disclosure is to determine if I have violated the Company's Drug and Alcohol Policy.
7. I understand that information regarding my test results is confidential and cannot be disclosed without my written consent, unless otherwise required by law. I also understand that I may revoke this consent at any time except to the extent that action has been taken in reliance on it, and that in any event this consent expires automatically upon my rejection for employment with the Company.
